Professional Accounting and Taxation Services

The Business Basics Grant Program provides support to businesses to increase core skills and adopt best practice. The program is competitive, meaning that applications are assessed against the assessment criteria and not all applications will be funded.

# Business Basics Grant Program

The Business Basics Grant Program provides support to businesses to increase core skills and adopt best practice. The program is competitive, meaning that applications are assessed against the assessment criteria and not all applications will be funded.

Applicants can apply for funding for grant funded activities in one of five priorities:

1. Training and Coaching
2. Website building/upgrades
3. Professional business advice
4. Strategic marketing services
5. Business continuity and succession

To be eligible and apply for this grant, your business must:

- have fewer than 20 employees;
- be operating and have an active ABN;
- be registered for GST;
- have a Queensland headquarters and an operating address in the relevant funding stream;
- have an expected turnover of $300,000 or less for the current financial year;
- not have been approved for funding under an earlier round of Business Basics; and,
- have owners/directors that are not undischarged bankrupt; and be solvent.

To check your eligibility and/or what your business could spend the grant funding on, head to: https://www.publications.qld.gov.au/.../business-basics...
